# RESEARCH PROJECTS: WELLBEING & CULTURE

## **Research Vision:**

In partnership with our communities, lead a research agenda which improves health and wellbeing outcomes for Aboriginal and Torres Strait Islander People, empowers people to reach their full potential and strengthen research and researcher capacity and capability.

## **Mayi Kuwaya National Study of Aboriginal and Torres Strait Islander Wellbeing. 2018 – 2020.**

**Aim:** Quantification of associations and pathways between cultural practice and expression, social determinants of health, health behaviours and health and wellbeing outcomes for Aboriginal and Torres Strait Islander peoples nationally.

**Principal Investigator:** A/Professor Ray Lovett, Australian National University.
